3 lbs. pot roast or beef chuck (pork can be used)  
2 yellow onions, peeled, cut in half  
1 Tbsp. cilantro leaves  
2 tsp. freshly ground pepper  
4 tomatoes peeled, seeded and chopped (or 14-1/2 oz.  
Stewed Mexican tomatoes)  
6 Anaheim chilies, roasted, peeled, seeded, diced (or  
8 to 10 oz. Can diced green chilies)  
3 cloves garlic, minced  
1 jar green chili salsa - 17 oz.

Cook roast with onions, cilantro, pepper until tender. Cool and  
shred beef. Strain juice and save in refrigerator until fat comes  
to top. Skim off all fat. In a large pot add meat, strain juice,  
tomatoes, chilies, garlic, green salsa. Simmer for 2 hours. Taste.  
If not spicy to your taste, add ground cumin and cilantro.  
Keep tasting and enjoy. Serve as a stew or over eggs or rice.

I prefer to use fresh tomatoes and peppers, but canned will  
do.
